 **REHAU**

**RAUVISIO noir™** monotonic matte surface blends elegance and craftsmanship with the modern contours of cosmopolitan life.

Forged in the design capital of the world, Italy, **RAUVISIO noir's** color selection has been meticulously curated with colors that reflect ageless traveled elegance.

Deep coal, crisp white and muted sea and emerald tones transport your imagination and senses to worlds of the past.

Inspired by the colors of the cinematic world, choose the line designers have identified to be the soul and elegance of modern spaces - embrace **RAUVISIO noir.**

**Seamless  
matte**

from every  
angle

Inspired by legendary classic colors, the RAUVISIO noir collection offers designers subtle hues in Boxcar Blonde as well base staples like After Dark needed to create stunning, bold, dramatic and show-stopping designs.

# Thermal self healing

RAUVISIO noir is a highly resistant and durable surface with the ability of thermal healing. Micro-scratches will heal independently or can be escalated with friction or heat.

Scratches caused by metal fork

Rub a dry (can be slightly damp) magic sponge over scratches to begin thermal healing process

The surface should now be healed

## What is monotonic matte?

A monotonic matte surface has the ability to retain all of its elemental properties while delivering unwavering resilience, reliability and richly uninhibited elegance in a variety of different scenarios giving you the quality you deserve with the versatility you desire.

The deeply light-absorbent surface withstands scratches and fingerprints while providing the deepest, touchable matte.

Our components feature double-sided matte with matching REHAU LaserEdge elegant matte edgeband. The monotonic matte HPL is laminated onto a super-refined MDF core to ensure the highest quality finish.

### **Board Specifications**

RAUVISIO noir is laminated to a high-quality engineered MDF core that is CARB2, TSCA Title VI certified and NAF (non-added formaldehyde) exempt.

### **Edgeband Specifications**

All components are edgebanded with REHAU LaserEdge, which provides an extremely heat and moisture resistant seamless joint and creates a matte solid surface look.

### **Cleaning and Care**

Clean with a damp microfiber cloth and mild soap if needed. RAUVISIO noir is resistant to most chemicals and solvent-based cleaners, but harsh chemicals should be avoided. Do not use brushes or scouring pads. REHAU is not responsible for any damage done by abrasive cleaning products or procedures.

### **Protective Coat**

A protective peel coat is applied to the top and bottom surfaces. To remove peel coat, use rubber fingertips or our peel coat removal tool.

### Slab profile

### Shaker profile

## Features & Benefits

- Irresistibly soft to touch
- Deeply light-absorbent
- Seamless matte from every angle; front, back and edge
- Fingerprint, impact and scratch resistant
- Bacteria, mold and stain resistant
- Independent healing
- Anti-microbial, ultra-low in VOCs and phenol-free
- Double-sided finished panel or cabinet door
- Matching floating shelves

### Profile Specifications

Appearance	Super-matte
Door style	Slab and shaker
Design style	Modern, contemporary
Construction	PVA laminated face and back, REHAU LaserEdge
Shaker stiles and rails	3 in (76.2 mm), custom widths also possible
Face material	Super-matte monotonic laminate, multiple colors
Back material	Super-matte monotonic laminate, matching colors
Edgeband	REHAU LaserEdge, matching color
Core	MDF
Board thickness	3/4 in (19 mm)

### Size Parameters

Minimum	3 x 5 in (76.2 x 127 mm)
Maximum	50 x 119 in (1270 x 3022.6 mm)
Minimum shaker size	8-7/8 in H x 11 in W (225.4mm H x 279.4mm W)

### Edgebanding Profile

Top edge	1.0 mm radius
Bottom edge	1.0 mm radius
Edgeband finish	Elegant matte, color matched

### Accessory Products

1/4 in. thick components	Cut-to-size with raw edges
Integrated handle	1 17/64 and 5/64 in (32 and 2 mm)
Floating shelves	22 to 96 in (558.8 to 2438.4 mm) wide

**Top:** Slab door

**Bottom:** Shaker door
